

2020-2021 KCHP Strategic Plan

Our Patients

Strategic Priority: Advance pharmacy practice in hospitals, health-systems, and ambulatory care settings

Goal 1: Advocate for changes in laws, regulations, and standards that will improve patient care

- Task 1—Leverage the impact of pharmacists during the coronavirus pandemic to support policy development and changes
- Task 2 – Encourage development of remote pharmacy work regulations in Kansas to support Kansas pharmacists working remotely
- Task 3—Develop clinic medication oversight language for submission to the Board of Pharmacy
- Task 4 – Publish a legislative agenda with talking points prior to legislative session

Goal 2: Provide professional development opportunities for KCHP members

- Task 1 – Expand journal club for residents via web-based platform
- Task 2 – Create a Rural and Critical Access Hospital Committee/Section for our members
- Task 3 – Establish a conference for Pharmacy Residents to present their major residency projects

Our Members

Strategic Priority: Enhance communications to meet the needs of our members, patients and collaborating partners

Goal 1: Increase member awareness of KCHP accomplishments and opportunities

- Task 1—Create a KCHP Fellow recognition program
- Task 2 – Enhance new member communications
- Task 3 – Invite members with ASHP appointments to share national updates
- Task 4 – Implement monthly member spotlights on social media

Goal 2: Position KCHP members to be advocates for health-system pharmacy in Kansas

- Task 1 – Ensure a KCHP Board Member is present at each Kansas Board of Pharmacy meeting
- Task 2 – Actively build relationships with affiliate organizations through lobbying efforts
- Task 3 – Develop a 3-year strategic plan to ensure health system pharmacist representation on the Board of Pharmacy

Our Organization

Strategic Priority: Inspire member engagement

Goal 1: Establish KCHP as a consistent resource for health-system pharmacy technicians

- Task 1 – Develop a method to highlight technician roles and achievements
- Task 2 – Offer adequate programs to meet annual Kansas technician CE requirement

Goal 2: Maintain a high level of member satisfaction to grow organization membership

- Task 1 – Evaluate membership incentives or discount program opportunities
- Task 2 – Establish a KCHP point of contact within each hospital or health-system
- Task 3 – Recruit Kansas ASHP members to KCHP
