

# Kansas Council of Health-System Pharmacy

---

Kansas Council  
of Health-System Pharmacy

- Founded in 2008
- ASHP State Affiliate since 2009

## **Name Change**

- Kansas Council of Health System Pharmacists to Pharmacy in 2015
- The name change took place to be reflective of all active members in the organization.

## **Mission**

- The Kansas Council of Health-System Pharmacy is committed to advancing public health by promoting the safe and appropriate use of medications through advocacy and education.

## **Vision**

- Medication use will be safe and effective for all people in Kansas.

## **Members**

- Pharmacists, Pharmacy Technicians, Pharmacy Students, Pharmacy Residents, Non-Pharmacy Healthcare members, Industry

## **Reasons to join or get actively involved TODAY!**

- Advocate for Health-System Pharmacy
  - Your scope of practice is determined by your State's pharmacy practice act. Your voice matters and KCHP is YOUR advocate in Kansas.
- Enhance education and professional development
- Network with colleagues
- Mentor students, residents and new practitioners

**"I will embrace and advocate changes that improve patient care."  
-Oath of a Pharmacist**
